

KPC Web Design and Hosting Services

- ▶ **Let KPC design or enhance your business Web site.**

Our extensive experience working with advertisers helps us listen to you. We will meet with you to understand your goals, budget and marketing needs.

We'll work with you to transfer your image, message and business needs into a user-friendly Web location - ranging from an impressive but budget-sensitive interactive web brochure, to a complete e-commerce solution.

We design for the non-technical business owner with user-friendly, self-updating and self-publishing capabilities. We include the most up-to-date platforms and hosting solutions for maximum versatility and reliability.

- ▶ **KPC Web services can include:**

- Web design
- Hosting
- Search engine optimization
- Analytics
- E-commerce
- Improved hosting, optimization and analytics for most existing sites
